**PETITIONING THE COURT**

To incorporate the violation contained in this petition in future proceedings with the violation previously reported to the Court on 11/06/2024.

On June 3, 2022, a U.S. probation officer reviewed the conditions of supervision with Mr. Puhuyesva as established in the judgment. Mr. Puhuyesva signed a copy of the judgement indicating his understanding and receipt of these conditions.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2

**Special Condition #5:** You must not enter into or remain in any establishment where alcohol is the primary item of sale. You must abstain from alcohol and must submit to urinalysis and Breathalyzer testing as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from this substance.

**Supporting Evidence:** Mr. Puhuyesva allegedly violated the above-stated condition on or before December 2, 2024, by remaining in an establishment where alcohol is the primary item of sale and consuming alcohol.

On the morning of December 2, 2024, this officer received an email containing five photographs depicting Mr. Puhuyesva seated at a bar and drinking a bottle of Budweiser beer. This officer contacted Mr. Puhuyesva via telephone on this same day, and asked him about the incident. He admitted to drinking at the bar, and stated he was unaware of his condition prohibiting such actions.
